

Southside has a Bible Quizzing Team!

That's right – our youth team, the Southside Victors, are enjoying an exciting season of Bible Quizzing. These kids are learning Scripture, growing in confidence, building friendships, and representing Southside as they travel to competitions.

On **Dec. 7th**, the Southside Victors will be hosting a fun fundraiser during all three services. They'll be selling **hotdogs** between services, and they're also doing a **bottle drive** – so if you've got bottles at home you'd rather not take to the depot, bring them along and the team will take care of it for you.

If hotdogs and bottle drives aren't your thing, that's totally okay. You can also support the team online by selecting "Bible Quizzing Fundraiser" from the giving dropdown.

Whether you grab a hotdog, drop off bottles, give online, or simply cheer them on – thank you for encouraging this amazing group of kids as they grow in God's Word and community.

Have a blessed day!
